

# EYE Quiz Tournament

## Call for registrations

### Let the EYE Games begin!

The competition for the ultimate knowledge on the EU is about to begin... are you the winner that will take it all?

Build your digital avatar, find your perfect *trio* – the Hermione & Ron to your Harry, the Donkey & Fiona to your Shrek; in short, your BEST MATES, and prepare yourselves to **face off 200 competitors** in the online tournament of your lives!

The team who holds the greater EU knowledge, will take home the glory of Europe.

Take on the challenge together and participate in the **European Youth Event Quiz Tournament (EQT)**: an **international competition** among European university students, where you will duel in a **Quiz on the European Union!**

The quiz will have the format of a **TV Game Show** streamed on **Twitch**.

### **Demonstrate your EU mastery and empower others to be skilled citizens as well!**

We believe in the **power of facts**, and for that reason, we want to give YOU the knowledge necessary to become an empowered citizen!

**Change the future of Europe by knowing more about the EU than the EU itself!**

Develop a proficiency knowledge in topics such as:

- *the impact of EU policies in everyday life in your neighbourhoods*
- *European values & rights*
- *the tools of youth democratic engagement;*
- *EU environmental approaches*
- *the role of the European Parliament in our European democracy... and a lot more!*

Wouldn't that be something?

Get ready for the tournament by practicing with our online quizzes! Once you register, you will have free access to **Action Bound, an interactive application** available on Android and IOS, that will be your training tool during the tournament!

All the questions will be in English and have multiple-choice answers to facilitate participation regardless of language level.

**Win the online tournament and Twitch your way to Strasbourg! The two best performing teams will duel in the finals directly at the EYE2023 in June.**

## **EYE2023: What?**
