Call for Applications

Dear GenZ,

As European citizens, we are enjoying a long-lasting Summer of Democracy and Freedom, however, nothing should be taken for granted, is Winter coming?

A tremendous challenge for our Democracy will happen next summer: the European Elections in June 2024! This is the battle that will shape your future!

Our Democracy needs a vote like a sword needs a whetstone! To make our democracy sharp and powerful against its enemies, people must participate and vote!

Are you the knight who will fight this battle to defend Democracy?

Come and join your fellows to fight for this common cause in our "Game of Thrones" event in Dubrovnik!

And remember, while you sharpen and train with your swords, what Arya learned from her first swordmaster: "What do we say to the God of Death?" "Not today!"

Dubrovnik Game of Thrones

The game will take place in **Dubrovnik**, Croatia, a wonderful city on the coast of the Adriatic Sea. There, you and **90** fellow young students coming from **15 European countries** will take part in the three-day event on **25-28 April 2024**.

Wear your armor and join us in the battle for the European Union of tomorrow.

In Dubrovnik, you will work in teams to:

- Take part in a series of challenges, all focused on the topic of EU policies and EU elections.
- Discover more and get valuable tips about **guerrilla marketing**.
- Challenge yourself to **create excellent video content** and record short videos to be published on social media.
- Have the opportunity to **meet people coming from any corner of Europe** and exchange ideas, visions, cultures, and languages.
- **Have an impact on the European Elections 2024**: your videos will make young Europeans more interested in voting and engaged in the democratic interplay.
